

QuickQuote is now Quote RailPlus

At RailPlus – plus means more. In an effort to deliver you more and make ShipCSX easier to use, we’re excited to announce updates to the user experience for our RailPlus customers including an easier way to navigate to the quoting tool and a new RailPlus homepage.

An Easier Way to Access Quote RailPlus

We’re moving the module formerly referred to as QuickQuote from the **RESOURCES** tab to the **PLAN** tab for easier navigation. Below is a screenshot and instruction on where the tool now lives within ShipCSX.

1. Log into [ShipCSX](#)
2. Hover over the **Plan** tab
3. Select **Quote RailPlus** from the dropdown

New RailPlus ShipCSX homepage

Upon logging into ShipCSX, a custom homepage featuring RailPlus specific news and resources is now available for customers that only move door-to-door. If you move both ramp-to-ramp and door-to-door, your homepage will stay the same.

The New Quote RailPlus Landing Page

The new Quote RailPlus Landing page provides additional sales tools and resources at your fingertips.

- 1. Get a Quote:** Click Get Quote in the top grey navigation or the Quote RailPlus button on the right side of the screen to launch the quote engine
- 2. Resources Window:** This section contains important customer tools to make it easier for you and your team to sell intermodal. Included in this window are frequently used documents including Director-1, Accessorials and the Intermodal Service Matrix.
 - a. TIP:** Looking for the **Search Loads** link that used to be in this window? Look in the grey toolbar across the top of the screen. The **Search Loads** link is the second button from the right.
- 3. Learn about new promotions / service offerings:** Section 3 below will feature updates and new service offerings to help ensure you and your team are aware of the latest service updates to share with your customers.

The screenshot shows the ShipCSX website interface. At the top, there is a yellow header with the ShipCSX logo, a 'Quick Links' dropdown, and user information 'You are Q11XH' and 'How tomorrow moves [CSX]'. Below this is a dark blue navigation bar with links: ShipCSX, Plan, Ship, Trace, Pay, Resources, Contact Us, and Log Out. A breadcrumb trail reads 'You are here: ShipCSX > Resources > Quote RailPlus'. The date and time 'April 17, 2017 10:16 AM EDT' and a 'Help' icon are also present.

The main navigation area includes buttons for 'Home', 'Get Quote' (callout 1), 'View Quotes', 'View Tenders', 'My Favorite Lanes', 'My Tenders', 'Quotes' (callout 2), 'Search Loads', and 'Options'. A 'Current Profile' link is also visible.

The main content area features a heading 'RailPlus is CSX Transportation's Complete Door-to-Door Intermodal Service Product'. Below this is a paragraph of text: 'Intermodal rail combines the superior economics of rail with the short-haul flexibility of trucks to offer a competitive alternative to mid to long-haul trucking. RailPlus moves freight from coast to coast and as little as 500 miles to over 50 locations throughout the U.S., as well as into and out of Eastern Canada. RailPlus gives shippers access to MORE markets, MORE reliability, MORE service and MORE capacity. And by the efficiency of rail, enhances by the flexibility of truck, RailPlus delivers you MORE.' (callout 3)

A large blue banner with a map of Tennessee highlights '13 NEW DESTINATIONS FROM MEMPHIS, TENNESSEE' and 'DELIVERING MORE FOR YOU AND YOUR CUSTOMERS'. A 'QUOTE Railplus' button (callout 1) is positioned above a video player. The video player shows a man talking on a phone with a 'Coffee IS FOR CLOSERS' sign.

At the bottom, there is a 'Support Information' section stating: 'Telephone and E-mail based support is available from 8:00 AM to 5:00 PM ET, Monday through Friday, excluding major holidays. [Contact us.](#)'

The footer contains links for 'ShipCSX Privacy', 'Terms of Use', 'Corporate Structure', and '© 2017 CSX Technology, Inc.'

Thank you for your continued business. If you have any questions or if we can be of assistance in booking your next RailPlus move, please let us know.
