
Quote RailPlus

Quote RailPlus is a handy online tool that allows you to obtain rate quotes, submit load tenders, track shipments and schedule delivery appointments. It also provides you secure access to your shipping information anytime, anywhere. In this module, you will learn to navigate the Quote RailPlus tool and learn about time saving features for easy quoting and tendering in the future.

Module at a Glance

- Topic 1. Getting a Quote Online
- Topic 2. Tendering Shipments Online
- Topic 3. Search Loads Feature
- Topic 4. Delivery Appointments
- Topic 5. ShipRailPlus.com
- Topic 6. Commodities

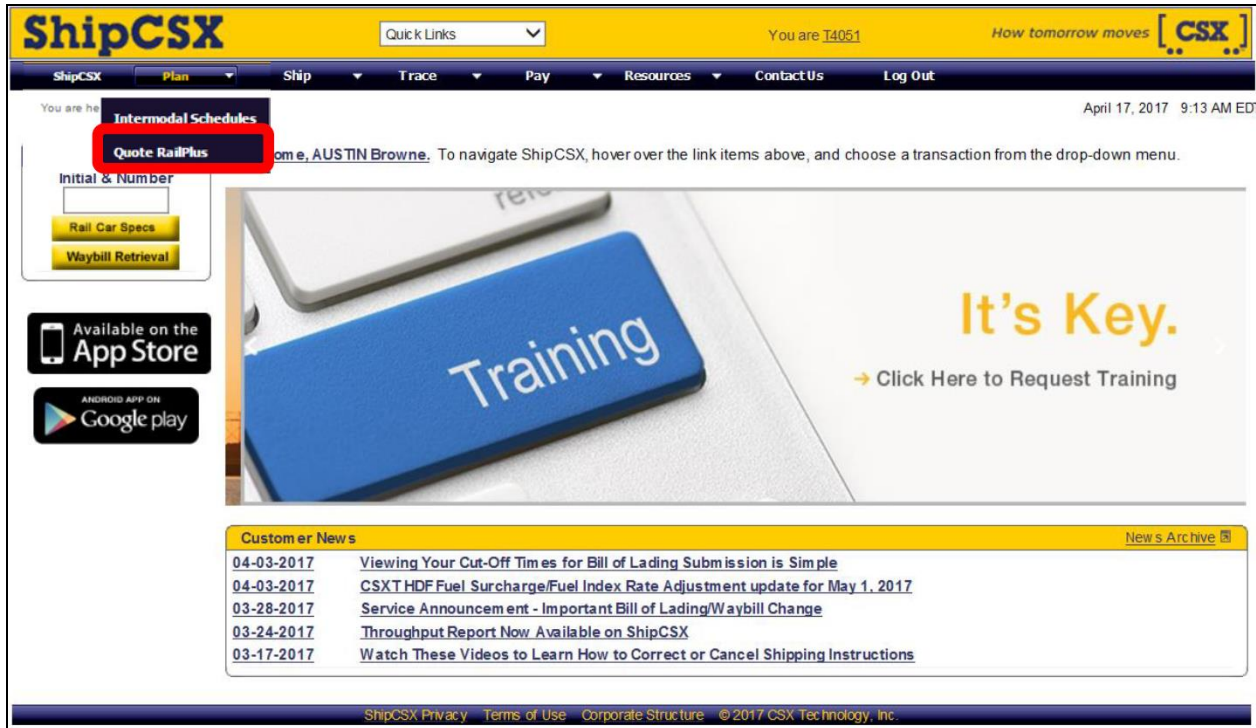

Learning Objectives

After completing this module, you will be able to:

- Use the Quote RailPlus tool to get quotes online. □
- Tender active quotes. □
- Tender Customer Capacity freight online. □
- Pre-set delivery appointments. □
- Intermodal.com – Service Matrix, Directory 1, Fast Facts. □
- Commodity / Hazardous Commodities. □

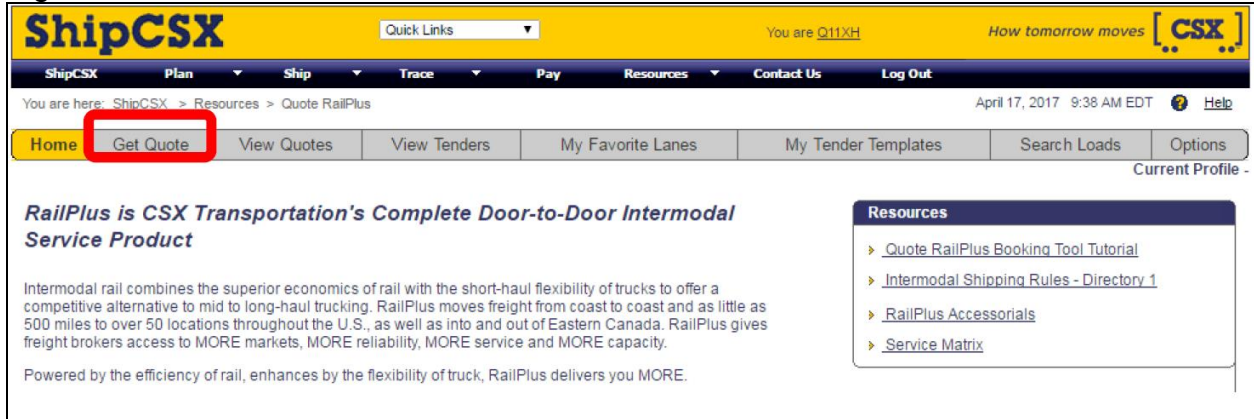

Topic 1: Getting a Quote Online

Figure 1: From the ShipCSX landing page, scroll over **Plan** and select **Quote RailPlus**.

Topic 1: Getting a Quote Online (continued)

Figure 2: Select **Get Quote** from the toolbar.

The screenshot shows the ShipCSX website interface. At the top, there is a yellow header with the ShipCSX logo, a 'Quick Links' dropdown menu, and the text 'You are Q11XH' and 'How tomorrow moves [CSX]'. Below the header is a dark blue navigation bar with links for 'ShipCSX', 'Plan', 'Ship', 'Trace', 'Pay', 'Resources', 'Contact Us', and 'Log Out'. Underneath this is a breadcrumb trail: 'You are here: ShipCSX > Resources > Quote RailPlus'. A secondary toolbar contains buttons for 'Home', 'Get Quote' (highlighted with a red box), 'View Quotes', 'View Tenders', 'My Favorite Lanes', 'My Tender Templates', 'Search Loads', and 'Options'. The main content area features a section for 'RailPlus is CSX Transportation's Complete Door-to-Door Intermodal Service Product' with descriptive text and a 'Resources' sidebar containing links to 'Quote RailPlus Booking Tool Tutorial', 'Intermodal Shipping Rules - Directory 1', 'RailPlus Accessorials', and 'Service Matrix'.

Get Quote – Process Overview

1. Enter origin and destination zip codes, and the pickup date and time of day.
If applicable, select additional stops or services, and then Get Quote.
Result: A variety of estimated transit times and prices will appear.
2. Select estimated transit time, price, and then select [Continue].
3. Enter contact information and then [Continue].
Result: You will be given the option to 'Hold Price' or 'Reserve Capacity'.
4. Review your quote and then 'Hold Price' or 'Reserve Capacity'.
Result: You will receive an Email confirmation containing the details of your quote.

Topic 1: Getting a Quote Online (continued)

Figure 3: Enter origin and destination zip codes.

Instant Price

Step 1: Please enter the zip codes of the origin and destination of your door-to-door intermodal load(s).
Use the lookup tool to locate a zip code/ city match. Some zips contain more than one city. A default city is populated alphabetically.

* Origin Zip Code (Initial Pickup): [Find Zip/ City](#) CHICAGO, IL

* Destination Zip Code (Final Delivery): [Find Zip/ City](#) NEWBURGH, NY

[Zip code selected has some unserviceable locations. Please click here for more information.](#)

*Click unserviceable locations link to find out if your shipper/consignee has been restricted.

Figure 4: From the calendar, select the anticipated Pickup Date.

Step 2: Please enter in some additional information about the load(s).

* Pickup Date (MM/DD/YYYY) : [?](#)

* Equipment Length: 53'

Optional: [Additional Stops](#) [?](#)

Optional: [Additional Services](#)
